

A new Lidl for Golborne

Have Your Say

We are holding a public exhibition on Tuesday 6th February 2018 at Golborne Library, Tanners Lane, Golborne, WA3 3AW, from 1pm to 6pm.

Please come along and share your thoughts...

Site Background

The site for the proposed store is located to the south of Golborne Town Centre and is positioned to the east of Bridge Street. The site extends to 0.8 ha, is irregular in shape, and is currently occupied by a single storey industrial unit that forms part of Millingford Industrial Estate which fronts onto Bridge Street.

To the north, east and south, the site is bound by trees and shrubs, with the Millingford Brook running roughly along the site's northern and eastern boundaries. Bridge Street runs the full length of the site's western boundary, with residential properties beyond. The immediate surrounding area is characterised predominantly by industrial units, as well as residential properties located to the west.

It was our turn
to have a #LidlSurprise

We were crowned Best Supermarket 2016, as voted for by readers of Good Housekeeping. A big thank you to all our customers and employees.

The Proposal

Lidl propose to develop a new store on the site, which will feature an attractive, single storey glazed frontage to Bridge Street, with the car park extending to the north of the store. The new store will extend to 1,934 sq. metres gross internal area (GIA), with a net retail sales area of 1,286 sq. metres. The new store will feature a dedicated in-store bakery close to the main entrance. The delivery bay will be located to the east of the store.

Access will be taken from Bridge Street along the site's western boundary. The car park will provide 80 standard parking spaces, with 8 disabled spaces, and 8 parent and child spaces, which will be positioned close to the customer entrance. The car park will provide 96 spaces in total.

Dedicated pedestrian access will be provided from Bridge Street to the west of the site, giving direct access to the store entrance through the car park.

Bicycle parking will be provided under the entrance canopy on the northern elevation, close to the store entrance and pedestrian access route.

It is proposed that the store will be open between the hours of:

- 8am to 10pm Monday to Saturday (including Bank Holidays); and
- 10am to 4pm Sunday.

Normally there will be a maximum of two HGV deliveries to the store per day. All store waste will be collected at the same time as the deliveries, therefore minimising HGV movements within the site.

Benefits of the Proposed Development

The new Lidl store will provide the following benefits to the local area:

- A brand new store that will provide a clean and fresh shopping experience to meet the needs of customers;
- A dedicated in-store bakery;
- A contemporary building design that will complement the surrounding area;
- Employment opportunities for local residents; and
- Living Wage Foundation rate for all eligible employees and no zero hours contracts.
